Fair Play Philosophy

Seabird Island Band's First Nation Festival concurs with and adopts the philosophy of Fair Play Canada. The following is an excerpt from Fair Play Canada's Fair Play Codes.

Fair play is an attitude, a way of thinking. It can be taught and it can be learned. Once it's learned, it can apply to every aspect of a person's life. That's why fair play is so important and that's why all of us are responsible.

The fair play philosophy becomes reality through the creation of a more ethical sport system, one that is democratic and grounded in the principles of integrity, fairness and respect.

Through sport, athletes learn about setting goals, working hard and having fun. They learn to respect their own abilities, and those of their competitors, and to value the effort of all participants, regardless of ability. When guided appropriately, athletes begin to realize that the joy of sport is as much in the effort as in the result.

FAIR PLAY: An Athlete's Role

As an athlete you have an opportunity to get the best out of sport.

FAIR PLAY CODES FOR ATHLETES

1. I will participate because I want to, not just because my parents or coaches want me to.
2. I will play by the rules, and in the spirit of the game.
3. I will control my temper – fighting and mouthing off can spoil the activity for everybody.
4. I will respect my opponents.
5. I will do my best to be a true team player.
6. I will remember that winning isn't everything – that having fun, improving skills, making friends and doing my best are also important.
7. I will acknowledge all good players/performances – those of my team and of my opponents.
8. I will remember that coaches and officials are there to help me. I will accept their decisions and show them respect.

FAIR PLAY: A Coach's Role

As a coach you are a role model and leader, and have significant impact on your athletes' attitudes.

FAIR PLAY CODES FOR COACHES

1. I will be reasonable when scheduling games and practices, remembering that young athletes have other interests and obligations.
2. I will teach my athletes to play fairly and to respect the rules, officials and opponents.

3. I will ensure that all athletes get equal instruction, support and playing time.
4. I will not ridicule or yell at my athletes for making mistakes or for performing poorly. I will remember that children play to have fun and must be encouraged to have confidence in themselves.
5. I will make sure that equipment and facilities are safe and match the athletes' ages and abilities.
 6. I will remember that children need a coach they can respect. I will be generous with praise and set a good example.
 7. I will obtain proper training and continue to upgrade my coaching skills.

**Be Proud,
Play Fair**

FAIR PLAY: A Parent's Role

Everyone involved in sport, from parents and spectators to athletes, officials and coaches, can and should play a part in promoting fair play. And the easiest way to do this is to lead by example; to always respect the written and unwritten rules of the game. It is also essential to learn how to constructively manage stress so that fair play skills and instincts will not be lost in the heat of competition.

As a parent, you have significant impact on how your child feels about his or her achievements in sport, and in all aspects of life.

FAIR PLAY CODES FOR PARENTS

1. I will not force my child to participate in sports.
2. I will remember that my child plays sport for his/her enjoyment, not for mine.
3. I will encourage my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
4. I will teach my child that doing one's best is as important as winning, so that my child will never feel defeated by the outcome of a game/event.
5. I will make my child feel like a winner every time by offering praise for competing fairly and trying hard.
6. I will never ridicule or yell at my child for making a mistake or losing a competition.
7. I will remember that children learn best by example. I will applaud good players/performances by both my child's team and their opponents.
8. I will never question the officials' judgement or honesty in public.
9. I will support all efforts to remove verbal and physical abuse from children's sporting activities.
10. I will respect and show appreciation for the volunteer coaches who give their time to provide sport activities for my child.

Chief Seymour: Welcome

Welcome to the Seabird Island 44th Annual First Nation Festival.

I will take this opportunity to extend a warm welcome to all visitors and athletes to our lands and wish everyone a pleasant and enjoyable stay. There are a variety of vendor's with merchandise and food centrally located on the

grounds and an ATM in the Finance Department for your convenience.

I would also like to take this time to ask for your assistance in helping keeping our land clean and safe; there are garbage bins, and recycle items located throughout the grounds. Campers are asked to ensure that their sites are left in the same condition as when they arrived. Pedestrians are requested to be careful and not to block oncoming vehicles.

I would like to take the time to thank and acknowledge the many contributions of our dedicated team of staff and volunteers for without their assistance this event would not have been possible.

All my relations,
Chief Clem Seymour

Aboriginal Sport, Recreation & Physical Activity Partners Council

Launched in 2011, the annual BC Provincials Championships and Camps were established to support Aboriginal athlete and coach development and support the creation of strong, coordinated and complete Team BC program. The majority of events in the 2013 Championships and camps will serve as a primary component of the talent identification and selection processes for TEAM BC for the 2014 North American Indigenous Games (NAIG). The 2014 NAIG will be hosted in Regina, Saskatchewan from July 20-27, 2014 and team BC will be presented in 13 sports.

BC Aboriginal Provincials for Soccer Championships held on August 11-13, 2013 - Regional teams for both male and female divisions to be entered into following categories. Winning teams earn a spot on Team BC for NAIG 2014. Regional teams are selected through Regional Committee selections processes. Contact your regional Coordinator for details on regional team selection process.

- U 15 (born 1998 or later)
- U 17 (born 1996 or 1997)
- Fraser Region: dgarner@bcaafc.com (regional coordinator)
- A u13 co-ed division will also be included in the BC Championships in an open team category. Note: this age division is not age eligible for NAIG 2014

Festival Sponsors

Thank you to all of our Festival Sponsors.

On behalf of everyone who worked hard and attended the Seabird Festival we would like to thank you for your very generous sponsorship of our Annual Festival this year. Your donations made this event possible. We couldn't have done it without you.

Your support will open many new opportunities for these young men and women as well as help develop the mechanics necessary to enhance their sports skills. These events will broaden their discipline and character, on and off the field, which is invaluable to their future endeavors. Your contribution is not solely a charitable contribution, but is also an advertising opportunity for you to get your name out to the many thousands of people who attend the Seabird Festival.

We hope you enjoy our event and we look forward to you continued to support for us in the coming years.

Safety on Roads

Child safety near traffic can be affected by two major players: drivers and parents. For their part, young children have not yet developed the necessary cognitive skills (depth perception, judging speed of oncoming cars, distance, etc.) to safely assess the dangers of the road.

As a driver, be aware of your surroundings and child safety traffic rules. Young children may be more difficult to see, and may run or ride bicycles quickly out of hidden driveways.

Research shows . . .

- if hit at 30km/h a child has a 90% chance of surviving
- if hit at 50km/h a child has an 80% chance of being **KILLED**

Parents can play a crucial role in child safety on roads. Not only can parents keep in mind all the same driver issues above, but they can play an active role in teaching their kids the dangers and risks of roadways as well. Keeping your kids playing away from high traffic areas and/or in plain view of any drivers that may pass by is an important step.

SAFETY FIRST!

PLEASE REMEMBER when parking your vehicle look to see if your vehicle is blocking another vehicle to exit or enter the designated area.

PLEASE BE MINDFUL AND ROAD SAFETY WHEN WATCHING THE WAR CANOES. Many spectators pull a lawn chair out and place this on the pavement of the road. The road is very narrow and when two vehicles are passing by each other can become dangerous.

Thank You!

Every year teams and spectators travel so far to attend our Annual First Nations Festival. Each year we grow with teams and the logistics of planning our event. We take great pride in planning our event and would like to hear any suggestions, concerns or new things to look at offering. Our Committee makes the commitment to be involved in the planning and

ensures the logistics of the event is planned accordingly. Every year we improve different areas of the event from

comments/ feedback. From what our event has grown over the numbers of year we have held the Festival is amazing. To have our staff involved to work in all area throughout the weekend is teaching that guides our event. Without the staff involvement and teams being involved our event would not exist. Our hands go up the communities that have great coaches/parents that send their Children. Youth, Adults to our tournament to take part in. So please take the time to thank each other and acknowledge your work.
